2. The improvement district shall be called and known by the name and title of "Lister Waterworks District."

3. The said improvement district shall comprise all the tract of land hereinbefore described.

4. The objects of the improvement district shall be the acquisition and operation of works and licences for the storage, delivery, and carriage of water for waterworks purpose and such incidental purposes as are authorized by the licences it acquires.

QUALIFICATION OF VOTERS AT THE FIRST ELECTION.

5. At the first election the persons qualified to vote for Trustees shall be all such persons as are British subjects of the full age of twenty-one years, and are owners (as defined in section 165 of the said Act) of land within the territorial limits, or agents of such owners, and are not of Chinese, Japanese, or other Asiatic or Indian race. Each person so qualified shall be entitled to one vote and each person so qualified who is the owner of forty acres or more of land or the agent of such owner shall be entitled to an additional vote in respect of each twenty acres of which he is the owner or agent of the owner in excess of twenty acres.

NUMBER, QUALIFICATION, AND TERM OF OFFICE OF THE TRUSTEES.

6. There shall be three Trustees of the said improvement district.

7. Any person qualified as hereinbefore provided to vote at the first election shall be qualified to be a candidate for election as Trustee at the first election.

FIRST MEETING OF THE FIRST TRUSTEES.

9. The first Trustees of the said improvement district shall hold their first Trustees' meeting immediately after they are declared elected.

RETURNING OFFICER AND HIS INSTRUCTIONS.

10. Mr. John Finlay, of Camp Lister, shall be Returning Officer for the first election of Trustees of the said improvement district. The Returning Officer shall call a general meeting of the owners of land within the improvement district who are qualified as aforesaid to vote for the purpose of electing three Trustees. The Returning Officer shall, at least six days before the holding of the said general meeting, cause to be posted in six or more conspicuous places within the territorial limits a notice signed by him giving the date, time, and place of holding the said general meeting. The Returning Officer shall be chairman of the said general meeting and he shall have power to determine whether or not any person who applies to be allowed to vote for Trustees is qualified to do so. The mode of taking the votes at the said general meeting shall be as determined by the Returning Officer. The Returning Officer shall in case of a tie vote have a casting-vote, whether qualified as aforesaid or not. For the delivery of water for waterworks purpose the improvement district shall, within a reasonable time after application is made therefor, provide at the boundary of the holding a point of delivery for each holding upon which there is a habitable dwelling at the time the application is made. Except as aforesaid, the Trustees shall not be obliged to provide a point or points of delivery to any holding or parcel of land, but, if they deem it in the interest of the improvement district to do so, they may provide an additional point or additional points of delivery to any holding or parcel or to the subdivided parts of a holding or parcel upon the owner making written application therefor and paying to the improvement district a bonus of such sum as to the Trustees appears just and reasonable. The owners of the lands to which points of delivery are provided shall provide the works required to carry the water from the points of delivery to the places of use, as well as the works necessary for utilizing the water. The Trustees may before providing a point of delivery to any holding or parcel of land upon which no person is residing require the owner thereof to pay to the district a sum not exceeding twelve dollars. The said sum shall be credited to the person paying it as payment or part payment of the tolls payable by such person for the twelve months following the installation of the point of delivery.

SPECIAL PROVISIONS.

13. The Trustees may raise all the revenue required by the improvement district by means of tolls or taxes, or both. The tolls that may be fixed may be of the nature of a ready-to-serve charge or a charge for water supplied or for the use of the district's works or any combination of the same, and may include charges for turning on or shutting off water from any water-user or any premises.

14. Sections 193 and 200 to 213, inclusive, and Schedule B of the "Water Act" as amended shall not apply to this improvement district, and the following provisions shall apply:—

"(d.) To elect a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, and to elect a Trustee to succeed the one whose term of office expires coincident with the holding of such annual general meeting.

"A special general meeting may be called by the Trustees at any time for the purpose of electing a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, or for the purpose of discussing with the electors any matter or matters relating to the works or finances of the improvement district which in the opinion of the Trustees should be brought up at a general meeting.

"At least seven days' notice of every general meeting shall be given by notices posted up in at least three conspicuous public places in the improvement district. The said notices may be in Form 4 of Schedule A of the 'Water Act.'

"The electors present at a general meeting, except the one called pursuant to clause 10 hereof, shall choose a chairman and secretary of the meeting.

"The secretary shall enter in a book provided by the Trustees for that purpose minutes of all matters brought before the meeting, including all resolutions proposed and the action taken thereon and all votes taken upon any matter. The persons entitled to vote at any general meeting, except the one called pursuant to clause 10 hereof, shall be such as are British subjects, and are of the full age of twenty-one years, and are owners (as defined in section 165 of the 'Water Act') of land within the territorial limits, or are the duly qualified agents of such owners, or the legal representatives of such owners who have died, become insolvent or insane, and are not of Chinese, Japanese, or other Asiatic or Indian race. Each person so qualified shall be entitled to one vote and each person so qualified who is the owner of forty acres or more of land or the agent of such owner shall be entitled to an additional vote in respect of each twenty acres of which he is the owner or agent of the owner in excess of twenty acres: Provided, however, that no person shall be entitled to vote at any annual or other general meeting while there is owing to the improvement district in respect of the land held by him any taxes, tolls, or other charges other than those levied, fixed, or charged by the Trustees within one year of the date of the meeting. In the event of the right of any person to vote at any general meeting being challenged, the chairman shall have authority to determine whether or not such person is entitled to vote, and the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Water Board a true copy of the minutes of such meeting."

15. All words and phrases given special meanings in section 2 of section 165 of the said Act shall, where used herein, be ascribed the meaning given them in the said sections unless the context otherwise requires.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our said Province to be hereunto affixed.

Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private

Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¼ inches by 7½ inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.
